Architects concept of Leslie S. Gordon Memorial Cottage given by Mrs. Joseph D. Gordon, Winnetka, Illinois, as a memorial to her late husband, who was a long time friend of Allendale. Construction is currently underway. Architects, Hammond and Roesch of Chicago. Contractor, Frank H. Stowell and Sons, Inc.

Allendale Given New Boys Domicile

Mrs. Josephine D. Gordon of Winnetka has recently made possible the construction of the new high school boys' residence at the Allendale School for Boys, in Lake Villa.

The building, which will be located on the west shore of Cedar Lake, on the school campus, will be known as the Leslie S. Gordon Memorial Cottage, in memory of her late husband.

The upper level of the cottage is designed to house 12 boys and cottage parents. It will have kitchen, dining and sleeping facilities, while the lower level will contain a workshop for the boys and a recreation area in which

they can play parlor, as well as table, games and bring their friends for parties, etc.

The unit will house high school boys who currently reside in the school's administration building.

Mr. and Mrs. Gordon for several years, have been associated with Allendale. After Mr. Gordon's death in February of 1967, Mrs. Gordon visited Allendale.

It was then that she realized the need of the school for additional housing and at that time, also realized that the collection of machine and woodwork tools, which were her late husband's, could be put to good use.

At Allendale's recent open house, the plans were presented by the Chairman of the Allendale Board of Trustees, Lake Forest resident, William S. North, president of Union Special Machine Company. A prayer of dedication was offered by Mrs. Gordon's pastor, Dr. W. S. Lea, Pastor of Christ Church in Winnetka.

Ernest Palmer, a member of the Allendale Board and neighbor of Mrs. Gordon, unveiled the

bronze plaque and paid tribute to Mr. Gordon. Mrs. Gordon, who is recovering from a stroke, was unable to attend.

Among honored guests present were Mayor Robert Sabonjian of Waukegan, Sen. Robert McClary, as well as a large number of Allendale Board and Auxiliary members. JoJo the pantomime clown, was even on hand to entertain the children of visiting guests.

Allendale has also recently expanded its program by starting a home for working boys in Waukegan. This will give a boy the chance to make a transition back into community living after having spent much time in an institutional setting.

The home, which just opened in October, was made possible by Samuel and Benjamin Becker, through their family Foundation, Foundation for Youth Development, and will be known as the Becker House. The Board of Advisors is composed of a committee of Waukegan business men.

Allendale, since 1897, has served boys of the greater metropolitan area of Chicago and Lake County, who have social and emotional problems which cannot be dealt with in the home or community from which they come.

AARP To Graduate 49 Pupils

Graduation ceremonies for all 49 of the senior students from the AARP, and non-members—who have completed their course in defensive driving—will be held on Thursday, Oct. 31.

The affair will get under way at 1 p.m. in the Community Room of the Antioch Savings & Loan Building.

Certificates of graduation from the National Safety Council will be awarded each graduate by an executive from Association Administrators, Inc., Chicago.

The Antioch classes for senior citizens was sponsored by the local chapter of AARP with classes held on Tuesdays and Thursdays during October.

Harold Lindberg, John Mulac and John L. Horan were the certified instructors, having completed their training at the National Safety Council headquarters in Chicago.

The chapter also held its monthly business meeting at noon Tuesday in the Antioch Savings & Loan Building.

A report was given on the Defensive Driving course and the new program to be set up for next month.

Classes will be held on Monday, Nov. 4, and Thursday, Nov. 6, and then on every Tuesday and Thursday during the month until the eight-session course is completed.

Morning sessions will be held from 10 a.m. until noon and afternoon sessions from 2 p.m. until 4 p.m. Cost of the complete course is \$1 for AARP members and \$4 for non-members.

Antioch Man Involved In Fatal Crash

A Winnetka executive was killed last Saturday when his truck was struck by a gravel truck driven by an Antioch man.

Dead as the result of the crash on Rte. 22 near Riverwoods Road, is Robert S. Faurot, 46, president of Western Felt Works in Chicago.

Sheriff's deputies said Faurot was going west on Rte. 22 when his auto was hit by a truck operated by Melvin Davis, 31, of Trevor Road, Antioch.

Deputies said Davis had swerved his truck across the center line to avoid hitting a slow moving car that was making a turn into a driveway on Rte. 22.

The truck grazed the left rear fender of the other vehicle and then crashed into the Faurot auto. The impact drove the auto over the roadside embankment and the truck came to rest on top of the auto.

It took an hour to extricate Faurot from the wreckage. Davis was ticketed for driving in the wrong lane.

The death brought to 76 the number killed in Lake County this far this year as compared to 71 a year ago.

Banking School Graduate

Walter Daniels, vice president of the First National Bank of Antioch is one of 73 younger bank executives from 23 states who successfully completed the second annual junior bank officers' seminar at Ball State University, Muncie, Ind., Oct. 15 through 17.

The seminar is sponsored by the Independent Bankers Association of America.

Certificates of merit were presented by Dean Robert P. Bell of the Ball State College of Business, and Thomas H. Milner, Jr., president of the National Bank of Athens, Ga., and president of IBAA.

The intensive three-day curriculum included lectures and discussions on loans, consumer credit, bank and trust investments, public relations and personnel management, marketing bank services and career opportunities in independent banking.

Instruction was given by bankers and business school faculty men.

Antioch Servicemen To Get Christmas Box, Card

Antioch area servicemen, whether they are in the United States or in Vietnam, are not going to be forgotten this year.

All of the servicemen are going to get a very special Christmas card.

And those overseas are going to get packages, as well as the card. The card this year will bear the same design created by Mrs. Jacqueline Horton.

But the color and the verse will be changed.

Mrs. Horton donated her artistic services last year to design the special card and it was an instant success.

The community Christmas card will have hundreds of signatures reproduced on each one from the townspeople, business and civic leaders.

The Antioch News will sponsor the cards this year as a gift to Project Vietnam and Chester Golenka of the Antioch post office will foot the bill for the mailing.

Antioch area families with someone in the Armed Forces either in the United States or abroad, are asked to give the names and addresses of these servicemen and women to the Antioch Post Office.

In this way each member of the services will be assured of receiving this memento from the home folk.

And for those servicemen and women overseas the Christmas mailing will be prepared on Nov. 19 at the American Legion Hall on Ida Avenue.

Members of the Knights of Columbus Council No. 3890 will pack and wrap the packages for Project Vietnam.

Harry Brehen, of the Antioch Post Office, who was the father of Project Vietnam, said that many persons had been coming in and offering help in preparing the packages, and he was very grateful.

"But it is difficult to give people answers on how much help will be needed for the Vietnam packing," he said.

"The size of the packages depends on the funds available, and the more packages sent, the more help is needed. We usually don't know until two or three days before the mailing on how large the packaging will be and how much help will be needed to pack them."

Brehen said that the purpose of Project Vietnam is to keep in

The "Tel-Air" Motor Banking facility is now in operation at the State Bank of Antioch, featuring 4 lanes of motor banking in a fully covered all-weather drive-through. It utilizes a pneumatic tube system, connecting the units on the drive-way to tellers in an elevated control station inside the bank. A drive-up 24-hour bag and envelope depository for use from the car has also been installed in the center of the above picture, and an enclosed walk-up window has been placed in the new foyer to the right of the picture.

State Bank Of Antioch Opens 'Tel-Air' Facility

The State Bank of Antioch today announced that its new concept in motor banking, considered to be the fastest and most convenient system ever offered to the public, is now in operation.

William E. Brook, president of the State Bank of Antioch said the new system, called "Tel-Air" employs a new visual control pneumatic motor banking system.

It provides four lanes of motor banking in a fully covered all-weather drive-through, utilizing a pneumatic tube system connecting the convenient, easy-to-use unit on the driveway to the tellers inside the bank.

The tellers are seated in an elevated control station, which enables them to have a complete view of all drive-up stations.

Each unit is low enough so that the driver also has a perfect view of the control station and the tellers inside.

A two-way transistorized sound system connects the teller and customers for ready communication.

For added convenience, Brook said, two more facilities have been located in the southeast corner of the building.

A drive-up, 24-hour bag and envelope depository has been in-

stalled for use right from the car. The second added feature is an enclosed walk-up window in the new foyer.

"Transactions are handled more readily with the carrier dispatch station than in a conventional seated teller operation," Brook said.

"The customer places his deposit or check into a cylindrical carrier with a snap latch on its side. He then drops the carrier into a slot provided for that purpose."

"The carrier is whisked away to the teller at a speed of 25 feet per second and is deposited at the

teller's fingertips. "A quick handling of the transaction and the cash or receipt is reinserted into the carrier and it is returned to the customer at the same speed."

Brook said the new enclosed walk-up window on the east side of the bank at the south end will make it convenient for customers to easily and comfortably transact their business.

Brook promised that customers will like the speed and ease with which they can approach the units on the driveways and complete their transactions.

Services offered with the "Tel-Air" system will be the same as before," Brook said, "and visual and sound contact are never interrupted."

"This is in keeping with the bank's continued policy of prompt, friendly service."

Brook said that despite the changes involved in installing the new system the bank would not lose any parking space.

"The 'Tel-Air' system is so new that the State Bank of Antioch is the first bank in Lake County to have it installed."

Illness Calls Halt To Play

Due to illness in the cast, "Mouse on the Moon" will not be presented this Friday and Saturday at Antioch High School as originally scheduled.

Ken Smouse, director of the play, reports that the "mumps" got a member of his cast, and other illnesses forced the postponement.

The new show date for the play will be on Friday, Dec. 6 and Saturday, Dec. 7.

Antioch High Students To Get Doughnuts, Milk

Antioch High School students, who miss breakfast at home, will be able to get doughnuts and milk at the school in the mornings beginning Nov. 1.

The student council was given permission by the board of education to sponsor such a program for one month.

Many students come to school without having breakfast at home, Supt. Albert Dittman reported, and students pointed out that faculty and staff members are able to take breaks and eat if they missed breakfast, but not the students.

The council will sell a doughnut and a carton of milk for 10 cents in the cafeteria when the first buses arrive at 7:25 a.m. to 7:40 a.m. and again at 8:25 a.m. to 8:40 a.m. when the next buses arrive.

A one-cent profit will be made from the sale, Dittman said, and if any money is made it will go into the student council fund.

The board discussed the coming bond election on Nov. 16 and hired nine election judges for the voting and three alternate judges.

Mrs. Barbara Bakke was hired as secretary to Dittman to replace

Mrs. Fran Evans. Mrs. Julie McCann was employed on a part-time basis to do clerical work for teachers.

The board accepted the bid of Lyons and Ryan Ford, Antioch, for a bus chassis for \$4,215. The body contract was awarded to Superior Body Co., Kankakee, for \$3,206.

Supt. Dittman was authorized to attend a convention of the American Association of School Administrators in Atlantic City in February.

The board authorized 10 teachers to attend area conferences and workshops.

McClary Warns Voters Not To Be Complacent

Complacency is the worst enemy of the Republican Party in the coming election Nov. 5, U.S. Rep. Robert McClary, R-Lake Bluff, said in Antioch Tuesday.

McClary was the main speaker at a coffee hour in the home of Mrs. W. C. Petty, 1038 Spafford St. Co-hostess of the meeting was Mrs. Edmund Vos.

McClary told the more than 50 women present that you cannot count a vote unless it is cast and urged everyone to go to the polls for a GOP victory in November.

Also attending the function were county candidates including Jack Hoogasian, state's attorney; Mrs. Stephanie Sullin, circuit court clerk; Orville S. Clavey, coroner; Circuit Court Judge Glenn K. Seidenfeld; John Darow, auditor; and Frank Nustrar, recorder.

Mayor Toft Proclaims UNICEF Weekend

Antioch Mayor Raymond Toft, following the lead of President Johnson, has named Saturday and Sunday, October 26 and 27, UNICEF Weekend in Antioch.

In making his proclamation, Mayor Toft said that millions of American youngsters share the holiday each year by trick or treating for UNICEF and the world's needy children.

Each coin collected by the trick or treaters will mean food or medicine for the sick and hungry children of the world.

"I urge every citizen," Mayor Toft said, "young and old alike to participate in trick or treat for UNICEF and to contribute to properly identified trick or treaters at key locations throughout the town."

Trick or treaters will carry the

TURN CLOCKS BACK

It's clock turning back time again.

Illinois will go off of the daylight saving time at 2 a.m. this Sunday, the last Sunday in the month.

It is a nice idea to turn the clock back an hour when you go to bed Saturday night, and catch up on that hour's sleep you lost last spring.

The "Tel-Air" Motor Banking facility is now in operation at the State Bank of Antioch, featuring 4 lanes of motor banking in a fully covered all weather drive through. It utilizes a pneumatic tube system, connecting the units on the drive-way to tellers in an elevated control station inside the bank. A drive-up 24-hour bag and envelope depository for use from the car has also been installed in the center of the above picture, and an enclosed walk-up window has been placed in the new foyer to the right of the picture.

State Bank Of Antioch Opens 'Tel-Air' Facility

The State Bank of Antioch today announced that its new concept in motor banking, considered to be the fastest and most convenient system ever offered to the public, is now in operation.

William E. Brook, president of the State Bank of Antioch said the new system, called "Tel-Air" employs a new visual control pneumatic motor banking system.

It provides four lanes of motor banking in a fully covered all weather drive-through, utilizing a pneumatic tube system connecting the convenient, easy-to-use unit on the driveway to the tellers inside the bank.

The tellers are seated in an elevated control station, which enables them to have a complete view of all drive-up stations.

Each unit is low enough so that the driver also has a perfect view of the control station and the teller inside.

A two-way transistorized sound system connects the teller and customers for ready communication.

For added convenience, Brook said, two more facilities have been located in the southeast corner of the building.

A drive-up, 24-hour bag and envelope depository has been in-

stalled for use right from the car. The second added feature is an enclosed walk-up window in the new foyer.

"Transactions are handled more readily with the carrier dispatch station than in a conventional seated teller operation," Brook said.

"The customer places his deposit or check into a cylindrical carrier with a snap latch on its side. He then drops the carrier into a slot provided for that purpose.

"The carrier is whisked away to the teller at a speed of 25 feet per second and is deposited at the

teller's fingertips. "A quick handling of the transaction and the cash or receipt is reinserted into the carrier and it is returned to the customer at the same speed."

Brook said the new enclosed walk-up window on the east side of the bank at the south end will make it convenient for customers to easily and comfortably transact their business.

Brook promised that customers will like the speed and ease with which they can approach the units on the driveways and complete their transactions.

"Services offered with the 'Tel-Air' system will be the same as before," Brook said, "and visual and sound contact are never interrupted."

"This is in keeping with the bank's continued policy of prompt, friendly service."

Brook said that despite the changes involved in installing the new system the bank would not lose any parking space.

The "Tel-Air" system is so new that the State Bank of Antioch is the first bank in Lake County to have it installed.

Antioch High Students To Get Doughnuts, Milk

Antioch High School students, who miss breakfast at home, will be able to get doughnuts and milk at the school in the mornings beginning Nov. 1.

The student council was given permission by the board of education to sponsor such a program for one month.

Many students come to school without having breakfast at home, Supt. Albert Dittman reported, and students pointed out that faculty and staff members are able to take breaks and eat if they missed breakfast, but not the students.

The council will sell a doughnut and a carton of milk for 10 cents in the cafeteria when the first buses arrive at 7:25 a.m. to 7:40 a.m. and again at 8:25 a.m. to 8:40 a.m. when the next buses arrive.

A one-cent profit will be made from the sale, Dittman said, and if any money is made it will go into the student council fund.

The board discussed the coming bond election on Nov. 16 and hired nine election judges for the voting and three alternate judges.

Mrs. Barbara Bakke was hired as secretary to Dittman to replace

Mrs. Fran Evans. Mrs. Julie McCann was employed on a part-time basis to do clerical work for teachers.

The board accepted the bid of Lyons and Ryan Ford, Antioch, for a bus chassis for \$4,215. The body contract was awarded to Superior Body Co., Kankakee, for \$3,200.

Supt. Dittman was authorized to attend a convention of the American Association of School Administrators in Atlantic City in February.

The board authorized 10 teachers to attend area conferences and workshops.

McClory Warns Voters Not To Be Complacent

Complacency is the worst enemy of the Republican Party in the coming election Nov. 5, U.S. Rep. Robert McClory, R-Lake Bluff, said in Antioch Tuesday.

McClory was the main speaker at a coffee hour in the home of Mrs. W. C. Petty, 1038 Spafford St. Co-hostess of the meeting was Mrs. Edmund Vos.

McClory told the more than 50 women present that you cannot count a vote unless it is cast and urged everyone to go to the polls for a GOP victory in November.

Also attending the function were county candidates including Jack Hoogasian, state's attorney; Mrs. Stephanie L. Sullivan, circuit court clerk; Orville S. Clavy, coroner; Circuit Court Judge Glenn K. Seidenfeld; John Darrow, auditor; and Frank Nustra, recorder.

Illness Calls Halt To Play

Due to illness in the cast, "Mouse on the Moon" will not be presented this Friday and Saturday at Antioch High School as originally scheduled.

Ken Smouse, director of the play, reports that the "mumps" got a member of his cast, and other illnesses forced the postponement.

The new show date for the play will be on Friday, Dec. 6 and Saturday, Dec. 7.

Two Major Issues

Two major questions will be on the ballot in the Nov. 5 general election and both of them can have far reaching effects on the State of Illinois and its residents.

The first, and in our opinion the most important, is the Natural Resources Development Bond Act which calls for a billion-dollar bond issue to clean up our air and water and to provide recreation areas.

The second is for a Constitutional Convention to rewrite the state's constitution.

The billion-dollar bond issue is designed to do many things.

It will aid in securing adequate curative and preventive water and air pollution control as well as aiding in providing adequate pure water supplies for use in cities and villages throughout the state.

It will insure the availability of an adequate supply of pure water for future needs and provide flood control facilities and build reservoirs.

It will provide water-based recreational areas for both urban and rural populations.

The taxpayer will have an active role in the initial determination of project priorities and the amount of money to be spent on each project.

The General Assembly will be the final authority on setting the priorities and determining when and if bond proceeds shall be spent and we elect the members of that body.

Private business will not be able to get loans from the bond sale and projects must be for the good of all or they will not be passed.

This will probably be the one chance that the Chain O' Lakes area can get to clean up the lakes and streams and bring them back to what we like to refer to as "the good old days."

The other issue is Con-Con and that has drawn both praise and fire around the state.

Under the present constitution such a convention can be held only if approved by a majority of the state's voters voting in the election—a majority of those going to the polls not simply a majority voting on the issue.

If that were the only vote we would get then we would have to be against the proposal. But there are other safeguards.

Before the constitution can be changed it must again be brought back to the people for a vote and if you don't like it you throw it out.

Opponents to the proposal say that it will destroy state sovereignty, local government, private property, freedom of choice and control over taxes.

We think that this is too many destroys.

They say that there is an adequate way to change the constitution now, by getting the amendments on the ballot.

But they can't even get the amendments through the legislature to get them on the ballot for us to vote on.

Opponents say that a new constitution will include such ambiguous language that it will permit our form of government to be changed from a constitutional republic to a dictatorship.

We would give more credit to the voters than the opponents. We just don't happen to believe that the American voter is that easily misled.

We endorse both propositions.

Letters to the Editor

Never was there a greater challenge to our American way of life than at present. However, never were there as many opportunities to strike a blow for freedom than on election day, November 5.

The first opportunity to strike a blow for freedom is to vote "NO" in regard to a Constitutional Convention.

There are 14 articles in the Illinois Constitution. The Constitution permits three articles to be amended at each general election. It would therefore only take five general elections or 10 years to amend the whole document.

However, this safer and less costly method of changing our Constitution is not acceptable to those who have lost faith in the American principle of local, representative government.

A Constitutional Convention (CON CON) is being advocated by social engineers, planners, do-gooders and politicians who by destroying state sovereignty, local government, neighborhood schools, private property, freedom of choice and control over the cost of government further their own political collectivist philosophy and financial interests.

The key of course, is money. Promises of eliminating personal property taxes, lowering real estate and sales taxes are being used as bait to "con" the people into voting for CON CON.

These taxes cannot and will not be lowered as we know from the record. A graduated income tax must and will be imposed in order to pay for the expanded programs for education for pre-school children, through four years of college, building homes for low and middle-income families, busing of students and teachers to new magnet schools, yearly sessions of the state legislature at higher salaries, installation of sewer, water and transportation facilities for developers of new communities, acquisition of 50,000 additional acres of open space and for land clearance for urban renewal.

Itemizing the above relates itself to a second opportunity to strike a blow for freedom.

Vote "NO" on the \$1 billion Natural Resources Development Bond Act. This loosely written bond issue sold as an answer for alleviating the problems of air and water pollution provides the greater portion of this money for "improved commercial and pleasure navigational facilities and greatly expanded opportunities for water related recreation."

Last, but certainly not least, a blow for freedom can be struck by voting for only those candidates, regardless of party, who believe and work for the American principles of representative Constitutional government.

Brookfield, Illinois
Vice-Pres. Save Our Suburbs

On Saturday, November 16th you will be asked to turn out and vote for quality education for young Americans. Should you, should I support the effort? Is the price too high? Can you and I afford the tax increase? Can we afford not to vote Yes?

I would like to share my rea-

of the east members, delayed the play "Mouse on the Moon" which was to have been presented at the high school this coming Friday and Saturday. New show date will be Dec. 6 and 7.

YEA, SEQUOITS!

The Sequoits meet Grayslake Saturday at Grayslake—so BE THERE and cheer those wonderful guys on to victory. We're still number one, you know!

WHAT'S GOING ON HERE!

In case you're wondering what is going on over at The First National Bank, they are changing the TV drive-up installation and walk-up window so that they will offer quicker and better service to the customers.

BEWITCHED!

There will be a lot of witches and goblins out this weekend with all the Halloween parties going on. Details later.

FORE!

The St. Peter's Men's club had their golf outing Sunday—and "little" Johnny Schaefer, Kay and Bill's great big son, who's in high school, was awarded the first place golfer's prize. John actually was number 2, but the number one winner was not present at the dinner when the awards were given out. John's dad, Bill, won second place. With Mom and her high scoring bowling, those Schaefer's are really on the ball!

sons for voting "YES" and for urging you to vote "YES".

First, is the price too high? Are you taking an honest look about you to see what our teens need and must learn. Can we let overcrowding and too late planning ruin the education here in Antioch? Do you see our teens are really trying and will you support their efforts, or will you let them down again? Excuses: tax increase, pensions, apathy, uninformed or misinformed, too busy to get to the polling place, or I forgot, can you justify to the "new generation" all these excuses?

Have you taken time to give or attend a Board of Education talk on the Referendum, or a PTA Coffee Klatch? Get the true story. Do you see that an adequate high school facility will make your property more valuable. That taxation here is no more or less a problem than anywhere else.

Are you apathetic and want to remain so uninvolved you will do nothing? You set "Teen Standards" yet our teens see how phony, pious and pompous we are. Do as I do, not as I say, and don't cost me money. No standards for adults, just advice.

I propose the overcrowding at the high school should be alleviated. I recommend to you that you vote "Yes." Yes, I believe in the Teens of Antioch. Yes, I believe in quality education, and adequate classroom space. Yes, I believe in and support the staff, the Board of Education and the PTA of Antioch Community High School.

HELP US PUT THE REFERENDUM OVER THE TOP.

Mrs. H. V. Claeson
(Ruth Claeson)
Rte. 5, Box 251, Antioch

Gentlemen:

Some serious reflections have been made on a recent zoning in the Village of Antioch, indicated by the reports published.

The Zoning Board of Appeals is an instrument through which the people of a given area receive the protection of public health and safety for the best interests of the community not only for now, but for the future. Poor zoning can be disastrous to a community.

The petitioner, Mrs. Eileen Lewin, represented by her brother, Bernard Osmond, requested that we recommend a change in the existing zoning ordinance on a parcel of land presently zoned as a one-family dwelling district to that of a multiple family dwelling district so that she could construct a duplex apartment building on her property. We felt that what the petition was for—REALLY DID MATTER—and that in changing the zoning ordinance we would establish a precedent for all other one-family zoned areas that could give as much reason for re-zoning as the petitioner, which was nothing concrete or to the best interest of the community.

We feel that the recommendation was made with sincere consideration of all the facts presented and that the property owners of the entire area would immediately suffer a loss of property value as far as a one-family dwelling sale is concerned. Village tax revenue on multiple dwelling is much less to the owner than several one-family dwelling homes would be and thus the Village loses legitimate tax returns. There is a great deal of land already zoned for multiple dwellings in Antioch and it is not necessary (for the best interest of the community) to re-zone one-family dwelling areas to multiple family dwelling areas.

We do agree with one newspaper that all zoning recommended by the Zoning Board of Appeals is spot-zoning or area zoning; but the petitioner suggested that spot-zoning is a tool to hide behind—hardly, it is the EXACT reason that a Zoning Board of Appeals exists.

The Zoning Board of Appeals spends many hours in deliberating a case, evaluating the petition in all of its minute details, while the Board of Trustees may only spend minutes, since it is only one of many problems they face in one meeting.

We disagree with the petitioner's representative when he said "we don't need a Zoning Board of Appeals." Antioch needs a zoning board of appeals very much when the Board of Trustees gives such reasons for acceptance as "the land isn't good for anything else." The land in question is in the center of a very nice one-family dwelling neighborhood. That no objections came forward, the Zoning Board of Appeals tried to protect the interest of all regardless of their reasons for being unable to attend the hearing. It is a known fact that many people feel that it is not necessary that they attend a hearing to voice an opinion on a petition because they have enough confidence that the Zoning Board of Appeals will make a recommendation for the best interests of the community.

By changing the zoning on this property, the Village Board has automatically rezoned a portion of

Junior College Board Adopts Salary Schedule

The Lake County Junior College will begin operations in 11 months and a salary schedule has been adopted for the faculty to be hired by the institution.

The college will begin its first fall term in September, 1969, but in temporary buildings at the Grayslake site.

President Richard Erzen said temporary facilities will be integrated into the permanent campus which will be under construction from 6 to 10 years.

The college board approved salaries that will range from \$7,800 to \$10,731 depending on the experience in the teaching field, coupled with training in the subject to be taught by the instructor.

Dr. Erzen said applications are coming into his office in the School of Nursing Building at St. Therese Hospital and that "the are coming in voluntarily."

The immediate goals, he said, are to recruit division chairmen for the various departments.

The board also allowed salary schedules for special positions.

A coordinator of data processing services will be paid from \$12,000 to \$17,000 annually. The coordinator of development services: \$13,000 to \$19,000, assistant dean for career programs, \$13,000 to \$19,000 and assistant dean of instructional resources, \$13,000 to \$19,000.

Administrative positions such as director of admissions and the like will be based on the faculty salary schedule plus 30 per cent for summer employment and administrative responsibilities.

The division chairmen for the instruction groups will be paid the faculty schedule plus 25 per cent for summer employment.

Five counselors will be paid on the basis of the faculty schedule plus 20 per cent for summer employees, and the same schedule will hold for librarian and head of the audio-visual services.

The college, to be located on a donated site at Rte. 45 and Brue Loch Road, will be constructed in phases with the first improvements to cost about \$6.5 million.

Dr. Erzen expects that ground will be broken by the spring of 1970.

The curriculum will be designed to take care of students who go on to college elsewhere, to those who go just two years, and for adult education.

Programs in nursing and data processing are already planned and the curriculum will, in part, reflect the needs of the community.

Dr. Erzen estimated that the student body would reach 10,000 in 100 years.

Commission Sets Meeting In Lake Villa

The Northern Illinois Water Resources and Conservation Commission will hold a hearing on township problems at 7:30 p.m. Monday, Oct. 28, in the Lake Villa Bank.

Special discussion will be held on inland lakes and the many problems facing them such as the dwindling game fish population and the water conditions.

All local residents are urged to attend the meeting with the aim of showing the legislators a unified front to insist upon modern legislation to help save the lakes and to urge a greater participation by our state conservation department.

Wife Gets Call From Husband In So. Vietnam

Mrs. Leone Milnichuk had a pleasant surprise Saturday afternoon, when she received a phone call via Oakland, California, from her husband, Sgt. Robert W. Milnichuk in South Vietnam.

Bob is with the First Airborne Marine Division.

The call came through at 1:40 p.m. Saturday.

Mrs. Milnichuk and her six months old baby are living with her parents, Mr. and Mrs. Myrus Nelson of Victoria Street.

Dance for L.L. Lights Nov. 23

The Antioch Little League is presenting a benefit dance on Saturday, Nov. 23. Proceeds will go toward the Little League Lights fund.

The Little League dance committee will hold a meeting at the fire station Sunday, Oct. 27 at 7:30 p.m. Representatives from all civic organizations interested in helping this project should come.

The rummage sale was successful, and another one will be held Nov. 1 and 2. There will be more baked good available. The sale again will be held at 439 Maplewood Drive from 9 a.m. to 6 p.m. on Friday and Saturday.

HIGHWAY CONSTRUCTION

Award of contracts totaling more than \$3,700,000 for highway work was announced last week. The contracts were for projects in 9 counties throughout the state.

Join with us in celebrating our new...

"TEL-AIR" DRIVE-UP BANKING FACILITIES

**Saturday, October 26th
8 A.M. To 3 P.M.**

• **GIFTS FOR EVERYONE** •

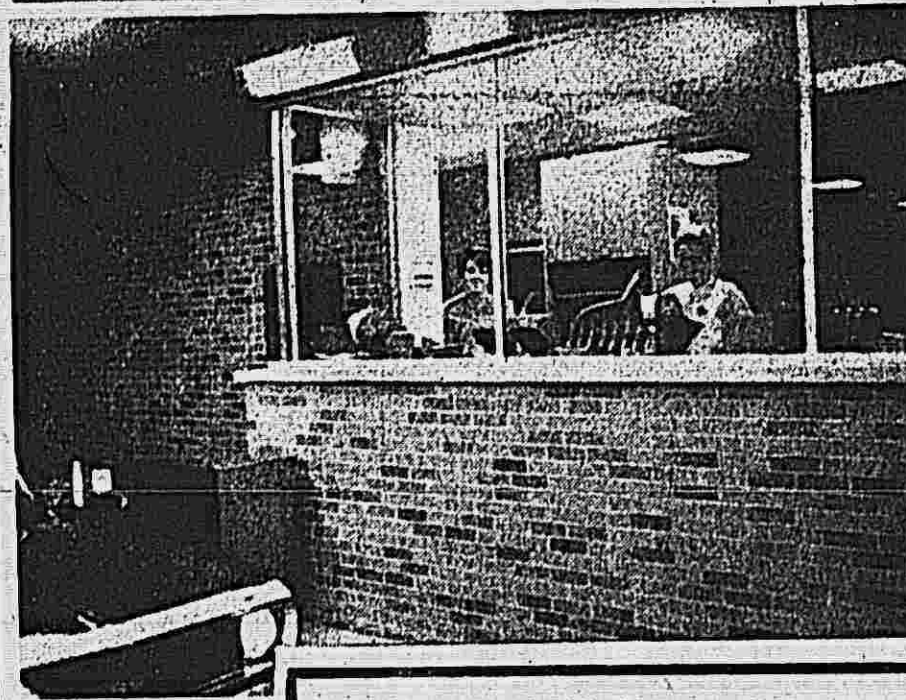

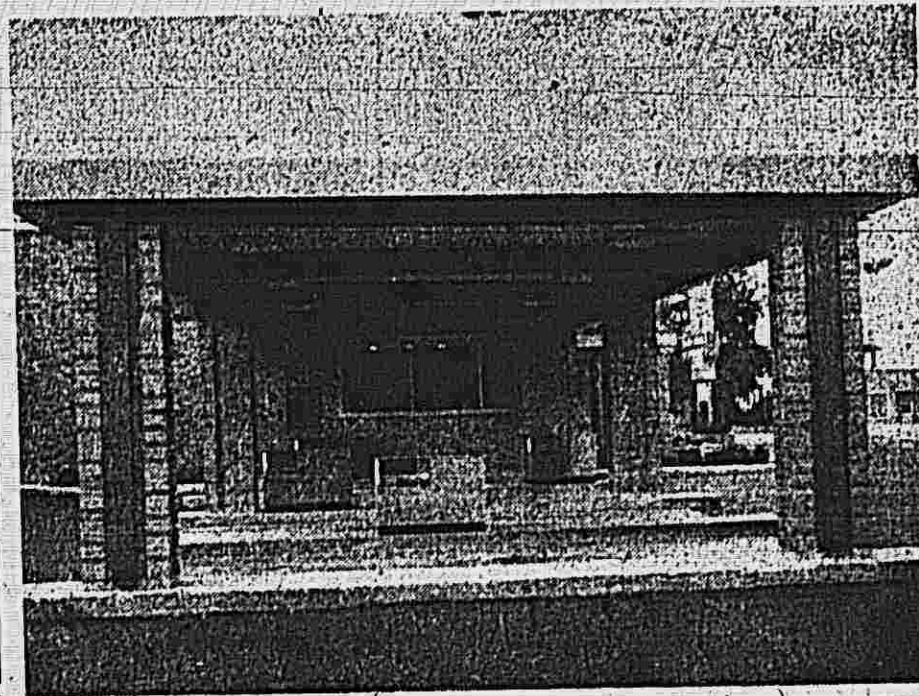

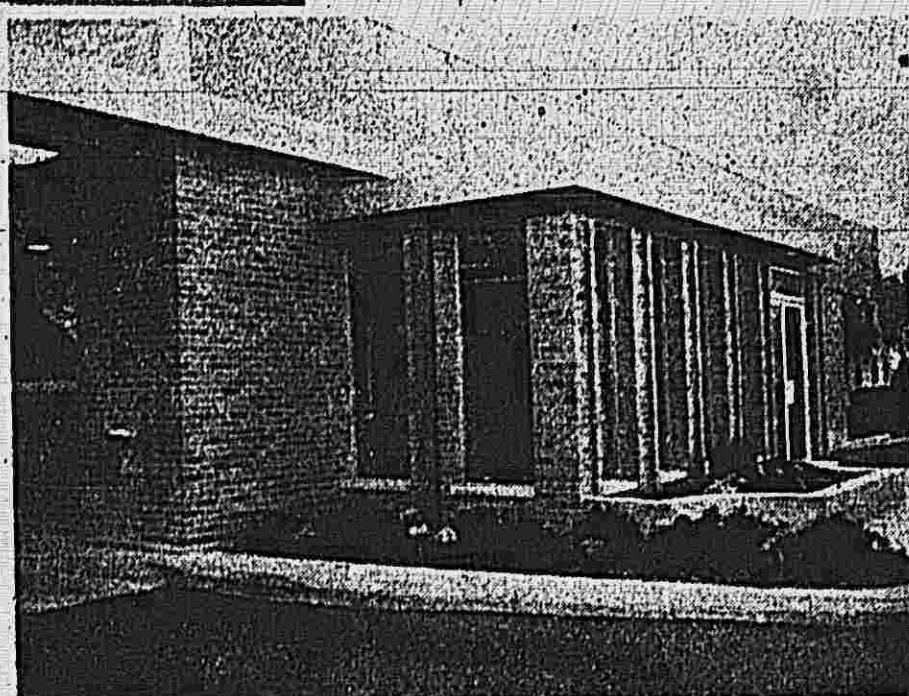

BONUS PRIZE!

FOR EVERY 25th CAR
PASSING THROUGH THE
"TEL-AIR" LANES

The new Tel-Air system, considered to be the fastest and most convenient drive-up facilities ever offered to the public, provides four lanes of motor banking in a fully covered all weather drive through.

It utilizes a pneumatic tube system connecting the easy-to-use unit on the driveway to the teller inside the bank. The tellers seated in an elevated control station have a complete view of all drive-up stations. Each unit is low enough so that the driver has a perfect view of the control station and the tellers inside. A two-way transistorized sound system connects the teller and customer for ready communication. Since visual and sound contact are never interrupted, a warm friendly atmosphere continues throughout the transaction.

For your added convenience we have installed two more facilities in the southeast corner of the building, a drive-up 24 hour bag and envelope depository for use right from the comfort of your car, and an enclosed walk-up window in the new foyer.

Special Prizes

Prizes will be awarded in the following categories to those passing through the "Tel-Air" Lanes

**Oldest Car Newest Car
Most Unusual Vehicle
Oldest Man Oldest Woman
Oldest Married Couple
Newest Married Couple
Youngest Boy and Girl**

Topics for Today's Women

THURSDAY, OCTOBER 24, 1968 THE ANTIOCH NEWS 4

Bruce Dalgaard Weds Kathleen Albrecht

Mr. and Mrs. Bruce R. Dalgaard were united in marriage at a late summer wedding at St. Peter's Catholic Church in Antioch. Reverend Alfred J. Henderson presided over the solemn high nuptial mass.

The bride, the former Kathleen Marie Albrecht, is the daughter of Mr. Fred A. Albrecht and the late Olive M. Albrecht. The bridegroom is the son of Mr. and Mrs. Bruce I. Dalgaard.

The bride wore a floor length skimmer gown of silk organza. Daisy guipure lace highlighted the bodice and formed the long tapered sleeves. The detachable train was accented at the edge by matching guipure lace.

Her floor length veil of silk illusion was held by a forward cluster of satin and guipure lace petals accented with pearls and crystals. She carried a cascade of white daisies accented with stephanotis and white ivy.

Miss Sandee Pedersen of Antioch served as maid of honor. She wore a floor length A-line gown of yellow linen styled with elbow length sleeves. The empire bodice was trimmed with a colorful band of embroidery which circled the high waistline holding a small forest green bow with floor-length tails at the front and gathered a slight train at the back. Her

short matching veil was held by a forward cluster of yellow daisies.

Bridesmaids were Miss Rosemary Frank, Waukegan, Miss Janice Dunkin, Deerfield, and Miss Maryanne Albrecht, Skokie, sister of the bride. All were attired identically to the maid of honor and carried colonial bouquets of yellow daisies.

Frank Szymanski of Torrington, Wyoming, formerly of Antioch, was the best man. Groomsmen were James Effinger, Lake Villa, Kirk Dalgaard, Antioch, brother of the groom; and Fred Albrecht, Skokie, brother of the bride.

The reception was held at Hunter Country Club in Richmond immediately following the mass.

Both the bride and groom were 1965 graduates of Antioch Community High School. They are residing in Champaign where Mr. Dalgaard is a senior at the University of Illinois and will be a June graduate in History Secondary Education. Mrs. Dalgaard also attends the University of Illinois and will be an August graduate in English Secondary Education.

Where The Boys Are

MEMPHIS, Oct. 16 — Airman Apprentice Thomas D. Wilson, USN, 19, son of Mr. and Mrs. Donald A. Wilson of 427 N. Route 59, Lake Villa, and husband of the former Miss Nancy L. Roiger of 9710 W. 16th St., Minneapolis, Minn., was graduated from the Aviation Mechanical Fundamentals School at the Naval Air Technical Training Center, Memphis, Tenn.

During the four week course he was introduced to mathematics, physics, and principles of electricity. He received instruction in atomic structure, static and dynamic electricity, magnetic theory, and the theory and construction of aircraft batteries.

The course is designed to provide selected Naval and Marine Corps personnel with the knowledge and skills basic to entrance into the Aviation Machinist's Mate Schools and the Aviation Structural Mechanic Schools.

An enrollment for new members was held at the Moose Home last Saturday evening. The Elkhorn Moose ritual team performed the enrollment ceremony. A smorgasbord was served to all attending members following the ceremony.

The members of the Antioch Moose Hunt Club held a special meeting at the Moose Home Friday evening, Oct. 11. Harold Klempner, secretary-treasurer, passed out permits to all members present.

The long tailfeather contest will begin as soon as the pleasant season opens and will close at the end of the hunting season. All tail feathers brought in to the lodge will be placed on display.

The next regular hunt club meeting is scheduled for Friday, Oct. 25, at the Antioch Moose Home. Entertainment has been arranged for the wives of the members while they are having their meeting.

The Antioch Moose Bowling League hosted a dinner for the bowlers at the Moose Home on Oct. 13 with about 75 members in attendance.

Team Two bowled against Team One winning 2 of the three games from them. Ed Pahlke had high game of 197 and he also had high series of 524. The bowlers will meet again two weeks for their next bowling match.

The first Legion get-together and pot luck for this year was held Sunday at the Moose Home.

WOMEN OF THE MOOSE

By Gerri Stoken
The attendance for the ritual practice held at the Moose Home on Oct. 10, was very poor. The co-workers that really need the practice on the floor work were not present. Ritual director, Gerri Good is scheduling another practice for a later date and hopes for a better turnout at the next one. The co-operation from every member is needed to achieve success in the chapter and practice does make it perfect.

The officers, collegians and appointed officers were all busy the night before, preparing for the ballroom dance on Saturday evening, Oct. 12.

Sally Ann Nihill

Sally Nihill Engaged

Mr. and Mrs. James Nihill of Route 1, Rock Lake, Trevor, Wis., announce the engagement of their daughter Sally Ann to John G. Fleck, son of Mr. and Mrs. John B. Fleck of R. D. 1, Northampton, Pennsylvania.

Miss Nihill graduated from Wilmet Union High School and is presently employed as a secretary at Abbott Laboratories, North Chicago.

Her fiancé is a graduate of Bethlehem Technical High School, attended Pennsylvania State University, and is presently serving as an Electronic Technician, 2nd class, aboard the U.S.S. Biddle, U. S. Navy.

No date has been set.

Janet Cranmer

Stan Revell Will Wed English Girl

Mr. and Mrs. Albert Cranmer of Ruislip, England, announce the forthcoming marriage of their daughter, Janet, to Stanley Revell of Lake Marie, Antioch.

Stanley is a graduate of Emons Grade School and Antioch Community High School. He is a member of the U. S. Air Force, stationed in England.

The wedding will take place at 2 p.m. Nov. 2 at St. Paul's Church, Ruislip Manor, England. A reception will follow at the Cavendish Pavilion at Eastcote.

College News

Fifteen Northern Illinois University social sororities recently pledged 174 women.

Ruth Ellen O'Neill of 455 Birchwood, Antioch, was pledged to Alpha Xi Delta; Gail Bernaline Bruzas of Rt. 59, Lake Villa was pledged to Delta Sigma and Kristyn Ann Borchart of 685 Lake St., Antioch, was pledged to Alpha Sigma Alpha Sorority.

Airman Jeffrey B. Atwood

SAN ANTONIO—Airman Jeffrey B. Atwood, son of Myron J. Atwood, Rt. 1, Trevor, Wis., has completed basic training at Lackland AFB, Texas. He has been assigned to the Air Force Technical Training Center at Keeler AFB, Miss., for specialized schooling as a communications-electronics specialist. Airman Atwood, a 1966 graduate of Tremper High School, Kenosha, Wis., attended Carthage College, Kenosha.

Donald R. Delaney, son of Mr. and Mrs. Wallace H. Delaney, of Rte. 2, Salem, was promoted to Army specialist five, Sept. 12, while assigned to the 84th Engineer Battalion near Qui Nhon, Vietnam, as a personnel management specialist.

Pat Lombardo In College Drama

Pat Lombardo, a recent graduate of Antioch High School, will be a member of the cast of the Pulitzer Prize winning verse drama by Archibald MacLeish, "J.B."

The drama will be presented in the Burgess Theatre on the Eureka College campus from Wed., Oct. 23 through Sunday, Oct. 27.

Patricia Rose Lombardo is the daughter of Mr. and Mrs. Salvatore (Sam) Lombardo, 251 Maplewood Drive, Antioch.

Cast Named By Central Hi For 'Music Man'

The Drama Department of Salem Central High School has chosen the cast members for this year's musical. Meredith Wilson's "Music Man" is being presented Nov. 8th and 9th in the CHS auditorium.

Playing the leading roles are Mike Burke and Betty Klemko. On stage Mike is known as Professor Harold Hill, the fast-talking woman-chasing traveling salesman. Betty portrays the prudish town librarian, Marion Paroo. She is very much against the Professor, but he never gives up in his efforts to win her heart. The relationships produce a very interesting situation.

Other cast members who are playing character parts are Lacy Turner as the match-making Mrs. Paroo; Debbie Bovee as Zanetta Shira; Gracie Shira is portrayed by Karen Green, Sue Krieger as Amaryllis; Jon Hall, Becky Grieslik; La Von Sero, Judy Butler and Barb Koeneche all play parts of prominent women of the town.

Male character parts are portrayed by Rich Glover as Marcellus Washburn; Don Symmonds as Mayor Shira; Paul Schmidt is Charlie Cowell; Tom Nemeth plays the juvenile Tommy Dyleis; shy little Winthrop Paroo is Jim Hartnell, and Andy Hewitt is the train conductor and Constable Locke.

The barbershop quartet consists of Terry Kutz, Gene Glas, Bill Harper and Tom Hansen.

George Grabice, Steve Davidson, James Waldo, Marc Goeluck and Ed Glas are known as the Traveling Salesmen.

Dancers for "Music Man" are Pat Beyers, Val Gomez, Sal Hewitt, Jon Navigato, Pat Olson and Janet Borchert.

The townspeople of River City, Iowa, which is where the story takes place, are Pat Burke, Shirley Davidson, Connie Glas, Sue Kozek, Linda Seuhiz, Karen Wal-

Engagement Announced

Mr. and Mrs. Earl J. Beese, Rte. 1, Box 777, Antioch, have announced the engagement of their daughter, Leslie Ann, to Douglas M. Black, son of Col. and Mrs. Melville Black of 2402 N. Jackson St., Waukegan.

Miss Beese is a junior at Northern Illinois University at DeKalb where she is majoring in elementary education.

Black, a drama major at Illinois Wesleyan University at Bloomington where he is a senior, is a member of Acacia Fraternity.

A February wedding is planned.

Leslie Ann Beese

Mike Burke, Betty Klemko and Lacy Turner go through a spell binding scene in rehearsals for "Music Man" to be presented at Salem Central High School Nov. 8 & 9.

Golden Wedding Open House For Stanley Mortons

Friends of Mr. and Mrs. Stanley Morton of North Chicago and formerly of Antioch are invited by the couple's children to an open house reception at the home of the Charles Jorgensens, Grass Lake Road, Antioch on Sunday, October 27, from 2 to 5 p.m., to celebrate the Mortons' 50 wedding anniversary.

Tickets for the musical are on a reserve basis and can be obtained from cast members at this time. They may be obtained by writing to the Drama Dept., CHS, Salem, Wis. The date must be specified.

Garden Club To Meet In Rockford

The Antioch Garden Club is planning a tour to Rockford for their next monthly meeting on October 28th.

The members will visit "Flowers by Connie." In addition to viewing the flowers, they will also see the Christmas decorations and many lovely articles in the various shops. Plenty of time will be allowed for browsing and checking on what is new in Christmas decor and gifts.

Luncheon will be served to the group in Connie's Restaurant, with a business meeting following.

The Garden Club toured Connie's last year and felt a repeat trip would be most enjoyable and worthwhile.

Suggested time for departure from Antioch is 9:30 a.m.

Millburn Church Bazaar Nov. 1

The 69th Roast Chicken Dinner and Bazaar will be held in the new fellowship hall of the Millburn Congregational Church, Friday, Nov. 1.

The bazaar will open in the afternoon at 2:00 o'clock featuring fancy work, home-baked goods, candy and a Mylo Christmas mart.

This year it will be necessary to make reservations in advance for the dinner. There will be four servings at 4:30, 5:30, 6:30 and 7:30. Please call one of the following for reservations:

Mrs. Carl Anderson, 356-5908.
Mrs. Roy Bonner, 356-5662
Mrs. Edwin Denman, DE 6-5860
Rev. L. H. Messersmith, 356-5756.

James F. of Shorewood, Wis., Mrs. Charles (Dorothy) Jorgensen of Antioch, and Mrs. Pat (Dolores) Ryan of North Chicago. Among the guests will be their 16 grandchildren.

Mr. and Mrs. Morton were married October 28, 1918 in Chicago. Mr. Morton has been employed by Johnson Motors for the past 15 years.

CHRISTIAN SCIENCE CHURCHES

"Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him."

This verse from James is part of the Bible Lesson-Sermon titled "Probation After Death," to be read in all Christian Science churches this Sunday.

In First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, the service will begin at 11 A.M.

One of the related passages to be read from the denominational textbooks is the following: "During the sensual ages, absolute Christian Science may not be achieved prior to the change called death, for we have not the power to demonstrate what we do not understand. But the human self must be evangelized. This task God demands us to accept lovingly today, and to abandon so fast as practical the material, and to work out the spiritual which determines the outward and

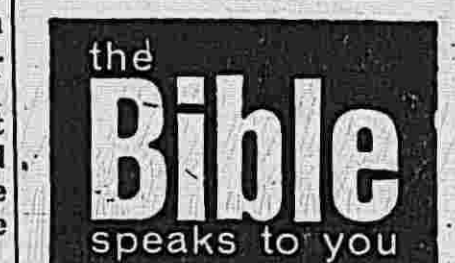

Janis Miklautsch

Jan Miklautsch Elected To Student Senate

NAPERVILLE, Ill.—Janis Miklautsch, daughter of Mrs. A. Miklautsch, 707 Lake St., and a senior psychology major at North Central College in Naperville, Ill., has been elected senior women's representative to the Student Senate, the governing body for most student activities.

Janis, a graduate of Antioch High School, will represent the 99 female members of her class at all senate sessions and committee meetings.

actual." (Science and Health with Key to the Scriptures by Mary Baker Eddy)

Kid's Matinee Saturday

This Saturday at 2 p.m. is the big UNICEF children's matinee at the Antioch Theatre.

The movie, "The Boy Ten Feet Tall," plus cartoons will be shown.

The program is sponsored by the MYF of Antioch Methodist Church and all proceeds will go to the United Nations International Children's Emergency Fund. Tickets will be available at the door.

With the exception of the children who will be present at convenient locations around town on Friday and Saturday, there will be no door to door solicitation for UNICEF contributions in Antioch this year.

YOUR HOUSE PLANS SHOULD INCLUDE OURS

The best plan to protect that new home of yours is a State Farm Homeowners Policy... the low-cost package of protection that provides broader coverage for your home and belongings and for you, in case of lawsuits. So call me today and find out how you can protect your new home from the ground up!

It's amazing how accurate a watch can be, when it has a tuning fork.

ACCUTRON "420" Waterproof, "420" Waterproof, "420" Waterproof, "420" Waterproof.

ACCUTRON "420" Waterproof, "420" Waterproof, "420" Waterproof, "420" Waterproof.

The things that make a watch tick are the things that make a watch run wrong. Like its balance wheel. And mainspring and hairspring. So those things have been left out of the Accutron® timepiece. They've been replaced by a tiny tuning fork that hums. The tuning fork splits a second into more parts than the balance wheel movement ever dreamed of. 360 parts, to be exact. (The best a ticking watch can do is 5 or 10.)

It's the tuning fork's uncanny precision that makes Accutron the most accurate timepiece you can wear.

We're able to guarantee Accutron accuracy to within one minute a month. That's 2 seconds a day.

And many owners say they're off only 1 second — or none at all. With accuracy like that, a watch has no business ticking when it could be humming.

Legion Auxiliary

By Del Jahneke

The first board meeting of the new Auxiliary year of the 10th District American Legion Auxiliary will be held at the Round Lake American Legion Home, at 8:00 p.m. on October 28. This meeting will be conducted by Mrs. Richard Brady, Gurnee, District Director. All district officers, chairmen, and unit presidents are asked to be in attendance. The year's programs, and the budget will be on the agenda, among other important matters. Mrs. Ray Rathmann, District Treasurer, Mrs. Edward Jahneke, District Publicity Chairman, and Mrs. Bernard Stadick, District Publicity Chairman, will represent the Antioch Legion Auxiliary No. 748.

At a recent meeting of the Antioch Auxiliary, many donations were made to various programs of the American Legion Auxiliary. Under the Americanism program, a contribution was made for the New Citizens' Reception. Three of these receptions are sponsored annually by both the 10th District Legion and the Auxiliary.

An \$18.00 pledge for the Child Welfare Fund was honored, with Mrs. Walter Hills, unit child welfare chairman, stating that this was the first phase of the state's child welfare project.

The Antioch Unit voted to pay all their past president's parley dues, thus making the unit 100% in this program. Mrs. Ray Rathmann, junior past president, announced that these dues support nurse's scholarships, won by eligible high school graduates. Fifteen high school girls were awarded these scholarships at the July state Auxiliary Convention. Another part of the past-president's program consists of remembering the women veterans who are hospital patients, with small gifts and luxuries.

Ninety dollars was contributed to the seven point Rehabilitation program. The seven parts of this state-wide program provide (1) Insulin for needy veterans; (2) Christmas Gift Shop — indigent hospitalized veterans may choose gifts for each member of their family, and have them gift wrapped and mailed; (3) Treasure Chest — this fund gives small luxuries and necessities for hospitalized veterans; (4) Hospitality Fund — in an event that an organization does not hold a scheduled party, this fund enables the patients to still enjoy their promised party; (5) Canteen Books — these books entitle a needy hospitalized veteran to purchase various articles, candy, etc.; (6) Easter gifts — gifts are given to the patients at Easter; and (7) Maintenance of the Veteran's Craft Exchange — this exchange shop exhibits and sells handicapped veterans' hand-made articles, at no cost to the veteran.

Kurt Luedtke In Vietnam

PFC Kurt M. Luedtke, formerly of Antioch, was home on furlough recently. He spent most of October with his parents, Mr. and Mrs. Russell K. Luedtke, Box 185-A, Tierra Del Sol Lane, Bonita Springs, Florida.

He is now serving in Vietnam with the 92nd Engineering Battalion, after having been stationed at Fort Hood, Texas.

His current address is: PFC Kurt M. Luedtke, RA-128-308-09 Co. B, 92nd Engineering Bn. APO San Francisco, Calif. 96491.

Geo. Hahn Attends Accutron School

George Hahn of Hahn Jewelry recently attended Accutron School in Chicago.

Accutron is a division of Bulova Watch Co. and the school offered a course in the repair and servicing of electric watches.

Accutron offers a completely new concept in watches. They operate on batteries and transistors without main springs. They are timed to the second and need fewer repairs than the conventional type watches.

The watch operates on a tuning fork basis and vibrates at a speed of 360 times per second. The batteries need replacing only about once a year.

Hahn Jewelry has equipment for servicing these watches and also carries batteries and Accutron watches in stock.

Dr. Adolph Berke Re-elected To AAGP

Dr. Adolph N. Berke, 543 Orchard St., Antioch, has been re-elected to active membership in the American Academy of General Practice, the national association of family doctors.

Re-election signifies that the physician has successfully completed 150 hours of accredited postgraduate medical study in the last three years. Members come up for re-election every third year on the date of election to membership. The Academy, the country's second largest national medical association, is the only medical group that requires members to keep up with medical progress through continuing education.

Lake Villa Tavern Owner Arrested

Lake County Sheriff's Deputies Thomas W. Gardner and George Tiffany arrested Robert L. Griffl, 37 of RFD 2, Lake Villa, owner of Griffl's Tavern at Rt. 45 and 132 for displaying gambling paraphernalia.

The officers said they entered the tavern and found a jar game on the back bar and a dice cup with five dice on the front bar.

Griffl posted 10 per cent of a \$1000 bond and was released to appear in Magistrate's Court in Waukegan Oct. 30.

Central Hi To Buy New Gym Equipment

The purchase of equipment needed for the grounds and gymnasium at Salem Central High School was approved by the school board at their Oct. 8th meeting.

Specifications for the sewer hook-up from Jensen and Johnson, engineers, were presented and discussed.

touch with the boys, no matter how small the packages are.

"The last mailing that we sent out was scheduled to be shipped at a certain time," he said, "and we used all of our funds for the purchase of the contents of the packages."

"We kept our fingers crossed that by some miracle the funds would come in to cover postage—and it did."

Brehen said that something will be sent to the boys overseas every month.

"If the funds are low, packages will certainly contain only a comb, or Kool-Ade or whatever we can afford," he said. "But we

Driver's Licenses Suspended

James B. McAlister, of 618 Parma, Lake Villa had his driver's license revoked for driving while intoxicated.

Richard A. Carlson of 1012 Rt. 59 Lake Villa and Robert A. Lorenz of Rt. 3, Antioch had their driver's licenses suspended for three violations according to an announcement from the Driver's License Division in Springfield.

Thefts Reported

A trailer was taken from Bob's Outboard Marina, Rte. 173, Antioch last week, according to Robert Palm, owner of the Marina. The trailer belonged to John E. Julian of Westchester, Ill.

A burglar reportedly stole some portable power tools from a garage of Robert F. Weeks, 129 Fourth Ave., Antioch last week, and had also siphoned the gasoline out of a truck parked there.

Weeks told sheriff's deputies he had left the garage door open.

Kerchoo!! He Hits A Pole

A sneeze while you're driving can be dangerous, as Vincent O. Mason, 39, of Antioch found out. A sneeze caused him to lose control of his car and it went off the road and struck a utility pole at Granada Drive and Verona Drive, south of Rte. 132, one day last week.

Mason, charged with reckless driving, was treated at St. Therese Hospital.

Sunday School To Visit Kemper Hall

The St. Ignatius Sunday School has announced its plans to visit Kemper Hall in Kenosha on Sunday, November 3.

Kemper Hall is a school for girls in the upper grades and high school and is operated by the Sisters of St. Mary, an Episcopal religious order.

For further information contact Mrs. Richard Cerk or the rectory of St. Ignatius.

Pancake Breakfast At Channel Lake Sunday, November 3

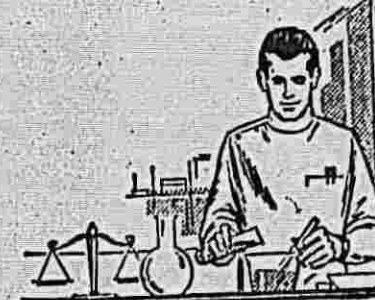

The Channel Lake PTA will serve a Pancake Breakfast Sunday, Nov. 3, from 8 a.m. to 1 p.m. Tickets may be purchased at the door.

An electric dryer costs up to \$40 less than a gas dryer. That's the first load off your mind.

Go ahead. Spend a few dollars less, and get the best clothes dryer going. It's the Electric Dryer.

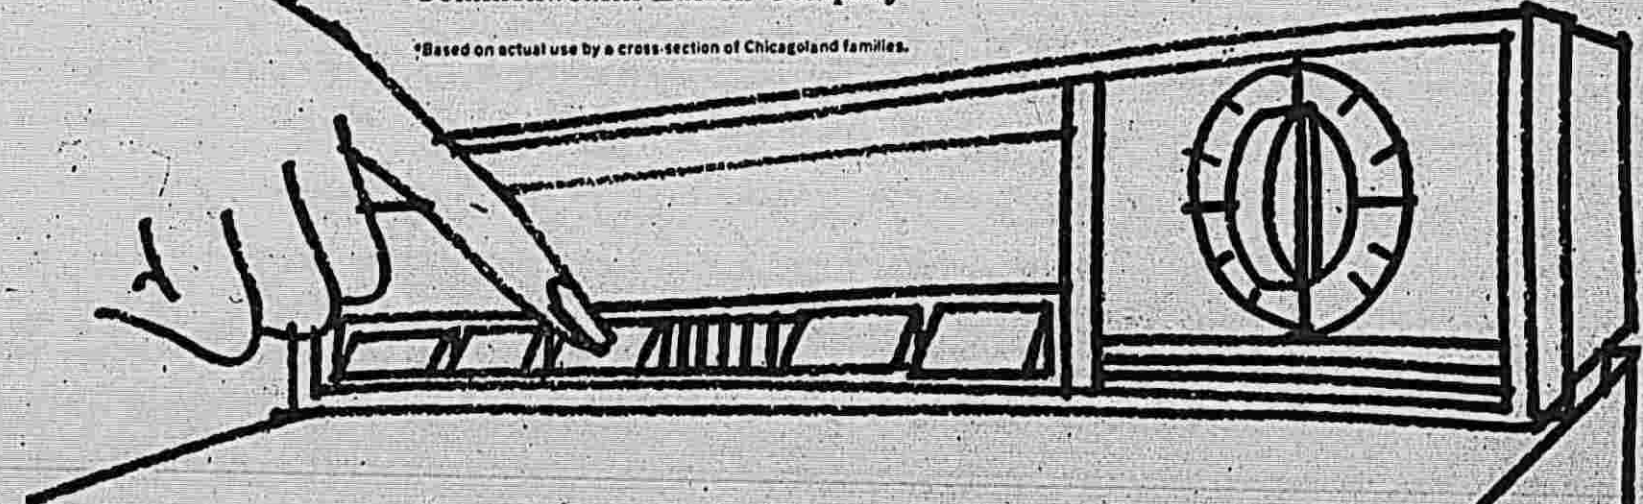

Spend a lot of dollars less (as much as even \$40 less), and still get the best clothes dryer going. It's still the Electric Dryer.

And when you get it home, you can run it for less than 30¢ a week! (So, actually, with that \$40 you can save by buying an Electric Dryer, you can figure you're doing your laundry free for about three years!)

Meanwhile, you're also getting all the other advantages of electric drying: precise control, little or no maintenance, and gentle, radiant heat—like sunshine.

It's the all-in-one dryer that starts out being easy on your wallet and ends up being easy on your laundry—delicate fabrics to wash-and-wear. That's the Electric Dryer for you. It specializes in the right touch, start to finish.

Commonwealth Edison Company

The bright new ideas are Electric.

Sequoits Tie Scouts, Keep Conference Lead

The Antioch Sequoits received a scare from the Lake Forest Scouts but managed to come back to a 13-13 tie and retain first place in Northwest Suburban Conference.

The Scouts were attempting to get back into the title race but left the field no better off than when they came. The tie dropped Lake Forest into fourth place in the conference.

The tie cut Antioch's lead to a half-game over Warren and Round Lake.

Antioch now visits Grayslake Saturday and then finishes its season at home against Round Lake Nov. 2.

Round Lake can gain a share of the title if it beats Lake Forest this Saturday and Antioch in the final contest.

The Scouts scored first as they took the opening kickoff and marched 66 yards in 10 plays to drive over. Mike Reitz proved his worth to the Scouts by carrying five times for 43 yards in the drive and Pete Bussone scored on a one-yard plunge. Dick Barry's kick was wide and the Scouts led 6-0.

The remainder of the first quarter and part of the second saw Antioch move well then get slowed down by untimely penalties.

The Sequoits apparently became cognizant of the fact that it was Parents Day and after receiving the punt on their own 27 marched 73 yards in 13 plays to score on a two-yard dive by Dave Camp.

Rick Nelson, No. 88, gets off a booming kick as Jerry Martin, No. 42 defends his punter.

Quarterback Steve Owens then swept right end for the PAT and with 58 seconds left in the half, Antioch led 7 to 6.

Antioch could not move the ball to begin the second half and punted to Lake Forest.

The Scouts went 54 yards in eight plays to score on a 16-yard run by Bussone. Barry's kick was good and with 7:46 left in the quarter, Lake Forest led 13-7.

Neither team was able to move in the rest of the third quarter and then Antioch received a punt on its own 16 and started its final drive for a score.

The Sequoits went 84 yards in 14 plays to score on a 23-yard screen pass from Owens to flanker Ralph Zank.

Owens, once again proving himself one of the best quarterbacks in the area, kept the drive alive with four key passes to Zank.

The drive almost died on the Scouts' 45, but a fourth-down pass to Zank kept it moving.

Antioch needed the extra point but Lake Forest guard John Tiffany broke through to grab Owens before he could roll out for the PAT.

In the final two minutes Zank intercepted a Lake Forest pass on his own 20 and returned to the Scouts' 45. Antioch tried to get a play off but the clock ran out. Zank was outstanding in the game, picking up 122 yards, scoring a touchdown and making the key pass interception. Camp picked up 96 yards and returned to the scoring ranks bringing his total touchdown output this year to 10.

Antioch: 0 7 0 6-13
Lake Forest: 6 0 7 0-13

Antioch: TD — Camp (23-yard plunge); Zank (23-yard pass play from Owens); PAT—Owens (run).
Lake Forest: TD—Bussone (1 and 16-yard run); PAT—Barry (kick).

PHEASANT COUNT

Aided by rural letter carriers, the Natural History Survey, Urbana, has completed a census of pheasants throughout the state. The reports indicate a 45 per cent decrease in last five years. The census is taken every five years to observe changes in distribution and abundance of Illinois pheasants. The whole east-central range, considered the state's prime range for more than 30 years, has less than half the pheasant population it had five years ago. Only Logan and Moultrie Counties had more pheasants this year than in 1963.

Jim Carlson, No. 87, and Jim Shore, No. 57, team up to bring down a Lake Forest back as Antioch Sequoits played the Scouts to a 13 to 13 tie last Saturday.

Frosh Wallop Lake Forest

Antioch 34 - L. Forest 0

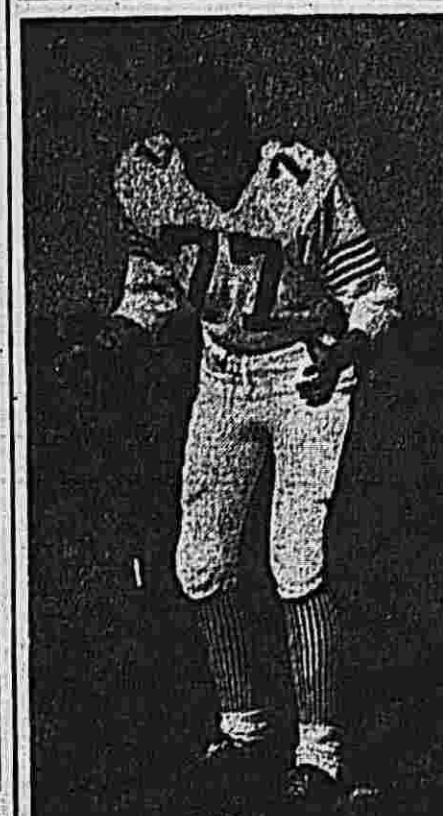

The Freshmen Sequoits maintained their undefeated status by scalping Lake Forest 34-0 this past weekend. The "B" team won their first game 14-6 also at Lake Forest's expense.

The "A" game was never even close. Lake Forest fumbled on the first play of the game and Antioch's Tony Baczynski recovered on the 30 yard line. A penalty, however, kept the team from scoring. Lake Forest was held and Antioch took over on the Scouts' 40. On the third play, Rich Brasfield went up the middle on a draw play to score. He Cratchfield went off tackle for 27 run over for the PAT.

Very shortly Lake Forest fumbled again and Dale Nelson recovered for Antioch on the 46 yard line. Four plays later Camp to Revell pass was good yards and a TD. He ran the PAT over to make the score 14-0 Antioch. Later in the period, a 63 yard pass-run play from Doug Camp to Jim Revell was called back for illegal procedure. But three plays later, Brasfield broke through the middle for 27 yards and another TD. Dale Nelson ran the PAT. The halftime score was Antioch 21, Lake Forest 0.

Jim Dalgard, tackle

First Aid Tips For Hunters

Of the 2,000 people who died of hunting and other accidental gunshot wounds last year, many might have been saved if their companions had known how to stem the flow of blood, according to Dean Kline, volunteer chairman of Red Cross first aid program for Mid-America Chapter, Chicago.

"The best single method of controlling bleeding is to apply direct hand pressure to the wound with a thick pad of cloth," advises Mr. Kline. "It is especially important for sportsmen to be aware of this as the hunting season gets under way, for hunting accidents usually occur many miles from community medical facilities."

"Several layers of cloth or a folded piece of clothing will do as a compress. If a dressing is not immediately available, the bare hand should be used until a cloth pad can be brought into use. Although ideally the dressing should be clean, a dirty cloth is better than no cloth at all," Mr. Kline adds.

"If the wound is deep, the fingers and/or dressing should be inserted into it and firm pressure applied." Do not remove a dressing that becomes soaked with blood, Mr. Kline continues. Apply more layers on top of it. Direct pressure can be maintained by bandaging the compress firmly in place. Also, elevate a bleeding arm or leg if there are no fractures and if such elevation will not cause additional damage to the injured part. Mr. Kline and the volunteer first aid instructors teach Chicago and suburban students in first aid classes.

To treat for shock, lay the victim down, but keep the injured part higher than the victim's heart. Maintain normal body temperature, but do not overheat the victim, is Red Cross advice, according to Mr. Kline. Remember that the small entry wound of a gunshot may be misleading; extensive internal injuries may have occurred. All gunshot victims should receive medical attention as promptly as possible.

"Everyone who hunts should know first aid," Mr. Kline stresses. "Our offices offer free courses year-round—including 150 classes in Chicago and suburbs during October — 'First Aid Month.'"

Mr. Kline concludes, "Bring back your rabbit, your squirrel, your deer, not a wounded fellow hunter."

THE ANTIOCH NEWS 6

Antioch's Cross Country team won the Northwest Suburban Conference Meet. Pictured from left to right are: Warren Polley, assistant superintendent, Co-Captains Chuck Denman and Bob Biaggi; Keith Church (Antioch's top runner in the meet); Tom Effinger, Bob Osmond and Cross Country Coach Adrian Mueller. Team members Jim Olson and Co-Captain Jim Maier were absent when picture was taken. The trophy which Denman is holding was presented to Mr. Polley for Antioch Community High School.

Sophs Bow To Lake Forest

L. Forest 25 - Antioch 0

The Antioch Sophomores took their first loss of the season Saturday when Lake Forest beat them 25-0. The game was close for two and a half quarters with Lake Forest scoring very late in the second quarter and again about halfway through the third period.

Up until this time the Sequoits hit just as hard, charged off the line as hard, and run just as hard as Lake Forest. After the second score by Lake Forest, Antioch tried to open the game up with more passing and wide plays but failed to gain good field positions and soon allowed two more TD's.

Charles Madsen

Charles Hollocker, guard

Antioch Is Number 1 In C.C. Conference Meet

The Antioch Cross Country team won the Northwest Suburban Conference meet Saturday at Crystal Lake with a total of 30 points. It was their third consecutive conference win. The Sequoits were awarded the prized first place Northwest Suburban Conference trophy.

Lake Forest was second with 40 points, Warren third and Lake Zurich fourth.

Antioch's number one runner in

the conference meet was Keith Church, a junior. He finished second. Chuck Denman was third, Bob Biaggi sixth, Bob Osmond tenth and Tom Effinger seventeenth. Other members of the team were Jim Maier and Jim Olson.

Coach Adrian Mueller was very proud of his boys. He said, "The varsity did a tremendous job. It was a great team and Keith Church did an outstanding job." The District contest will be held this Saturday.

Jim Maier, Bob Biaggi and Chuck Denman, seniors, have each participated in cross country for all four years. These boys are the tri-captains. As freshmen they participated on the freshman-sophomore team that won the conference and for the last three years, they participated on the varsity level.

The sophomores finished sixth in the conference and the leading runners for the sophomores were Rick Weiss who was seventh and Gary Racine who was 17th.

DEATH NOTICES

FLORENCE G. PETERSEN

Mrs. Florence G. Petersen, 62 years old of Cedar Ave., Lake Villa, passed away suddenly from a heart attack on Thursday, at 6:30 p.m. in her home. She was born Sept. 24, 1906 in Wadsworth, Ill., and had resided in Lake Villa for the past 50 years. She was a member of the Auxiliary of Lake Villa V.F.W. Post No. 4308 and had held several offices in that organization. She was preceded in death by her husband, William A. Petersen, Sr., on March 24, 1947 and one son, William A. Petersen, Jr., on Jan. 9, 1967.

Survivors are a son, Thomas Petersen, of Lake Villa, four daughters, Mrs. George (Luella) Pullen, Gurnee, Ill., Mrs. Robert (Marjorie) Washa, Lake Villa, Mrs. Vernon (Genevieve) Patterson, Grayslake, Ill., Miss Mary Petersen, at home; three brothers, Thomas McClure, of Waukegan, and Herbert McClure, of Gurnee; 11 grandchildren and one great-grandchild.

Funeral services were held at 10:30 a.m. on Saturday at the Strang Funeral Home in Antioch. The Rev. Bruce Jones of the Lake Villa Community Methodist Church officiated. Interment was in Angola Cemetery at Lake Villa.

LELAND B. HEGEMAN

Leland B. Hegeman, 72 years old of Wilmot, Wis., passed away at 1:10 a.m. on Sunday, Oct. 20, at his home suddenly from a heart attack. He was born May 31, 1896 at Wilmot the son of the late Louis and Beatrice Brown Hegeman. He had lived in Wilmot all of his life.

His parents operated the Hegeman Hotel and Tavern in Wilmot, which is the building now known as the "Stage Stop." The building was built by the parents of Louis Hegeman in the 1880's and served as a stage stop for farmers who were hauling grain to be ground at Southport, now known as Kenosha. Leland Hegeman's maternal grandparents were among the first settlers in Kenosha County and resided at Trevor during the time that the Indians inhabited that area.

Mr. Hegeman served in World War I and operated "Lee's Bottle Gas & Appliances" at Wilmot from 1940 until his retirement in day 1. Fox Lake Country Club 2; Krantz Tavern 1. Antioch C.C. Wins Zion-Mundelein Meet

Antioch's Cross Country team met Zion-Benton and Mundelein Tuesday and the Varsity team scored another victory. The finals were: Antioch 18, Zion-Benton 56 and Mundelein 58.
Keith Church was first, Chuck Denman, second, Bob Osmond third, Tom Effinger fourth, Jim Olson 8th, Jim Maier 10th and Bill Calloway 11th.
Biaggi was ill and not present for the meet.

The sophomore cross country team came in second. Zion-Benton was first with 29, Antioch 31; and Mundelein 69.

Rick Weiss was number two runner, John Pedersen came in third, Scott Johnson seventh, Gary Racine 8th and Dwayne Engelhardt 11th.

Lonn Ipsen Plays Final Home Game For E.I.U.

Lonn Ipsen, of Antioch, defensive tackle on Eastern Illinois University's football squad made his final home appearance Saturday when Eastern hosted Bradley in a Homecoming tilt.

Ipsen is a three year regular and earned All IAC honors as a sophomore and junior. In addition to his football honors, Ipsen is the reigning IAC heavyweight wrestling champion and was the NAIA District 20 champion in 1966.

He is he son of Mr. and Mrs. Leylon Ipsen of Loon Lake, Antioch.

1957. He married Hilda Dix on June 28, 1922 at Madison, Wis.

He was preceded in death by a brother, Rolland Hegeman, and a sister, Mrs. Vera (Richard) Burton.

Survivors are his wife Hilda, two daughters, Mrs. Ardys (Raymond) Foster, of Sunnyvale, Calif., Mrs. Nadia (Merle) Moore of Phoenix, Ariz.; one son, L. Keith (Betty) Hegeman, Northridge, Calif.; one sister, Mrs. Hazel Winn, of Spring Grove, Ill., and 11 grandchildren.

Funeral services were held at 2 p.m. Wednesday at the Silver Lake Baptist Church at Silver Lake, Wis. Interment was in Wilmot Cemetery at Wilmot, Wis.

ALBERT B. ANDERSON

Albert B. Anderson, 70 years old of 113 Burton Avenue, Grayslake, Ill., and formerly of 9408 S. Bishop St., Chicago, passed away at 4:55 p.m. on Friday from a heart attack in Chicago. He was born Feb. 16, 1889 in Chicago, and resided there until moving to Grayslake on Nov. 1, 1967.

He was a member of the Trinity Methodist church in Chicago. He served in the army during World War I. He had worked in the Loan Division of Continental Illinois Trust Company in Chicago.

Mr. Anderson married Ruby Leonard on June 17, 1922 at Lake Villa.

Survivors are his wife, Ruby, two daughters, Mrs. Marvin (Dorothy) Prosche, of Los Alamitos, Calif., and Mrs. Norman (Janet) Wolsheid, of Lavalonia, Michigan, and eight grandchildren.

He is the brother-in-law of Mrs. Katherine Hodgkins, of Grayslake, Mrs. Pearl Reinbach, Lake Villa, Mrs. Mary Eberler, St. Petersburg, Fla., and James Leonard, Spooner, Wis.

Funeral services were held at 2:00 p.m. Monday at the Strang Funeral Home in Antioch. The Rev. L. H. Messersmith of the Millburn Congregational Church officiated. Interment was in Angola Cemetery at Lake Villa.

FRANK J. MATTIS

Frank J. Mattis, 61 years old of Trevor, Wis., passed away at 10:50 p.m. on Tuesday, Oct. 22, on the way to Kenosha Memorial Hospital. He was born March 18, 1907 in Chicago and resided there until moving to Trevor in 1949.

Mr. Mattis had served during

World War II. He was on the Trevor Fire Department where he was a charter member. He had served as rural mail carrier out of Trevor Post Office from 1951, and was a member of the Rural Route Mail Carriers Association. He married Elsie Brendel on July 3, 1935 in Chicago.

Survivors are his wife, Elsie, four daughters, Mrs. Frances (Jack) LaMeer, Miss Theresa Mattis, Miss Joan Mattis, and Miss Elsie Mattis, all of Trevor, Wis., two sisters, Mrs. Freida Headley of Franklin, N. C., and Mrs. Mary S. Domen, of Ft. Lauderdale, Fla., and one grandchild.

Funeral services will be held at 10 a.m. Friday at the Strang Funeral Home in Antioch. The Rev. Wilton Anderson of St. Stephen Lutheran Church in Antioch will officiate. Interment will be in Glen Oak Cemetery at Maywood. Friends may call at the funeral home after 2 p.m. on Thursday.

CHARLES C. REED

Charles C. Reed, 70 years old of 581 1/2 Main St., Antioch, formerly of Columbus, Ohio, passed away Oct. 16, in Victory Memorial Hospital, Waukegan, after a lingering illness.

He was born Dec. 10, 1897 in Hinton, West Virginia and lived in Columbus, Ohio, most of his life. He moved to Antioch in July of this year. Mr. Reed was a retired tailor. He was preceded in death by his wife, Ada, several years ago.

His survivors are his two daughters, Mrs. Virginia Bean of New Orleans, and Mrs. Mary Lee Mitchell of Grand View, W. Va., a brother, Frank Reed of Baltimore, Ohio, two half-brothers, Norvell Wilson of Antioch, and Paul Wilson of Richmond, Va.; a sister, Mrs. Joseph (Mary Rosalie) Dean, Antioch, with whom he made his home. Several grandchildren also survive.

Funeral services were held at 11 a.m. Friday in the Strang Funeral Home in Antioch. Interment was in Home Oak Cemetery near Antioch. Rev. Willie Hughes of the Calvary Baptist Church officiated at the services.

Blaska On PMA Board

Gregory Blaska, Rt. 2, Marshfield, Wis., director of Pure Milk Association district 22, was elected secretary of PMA filling the post vacated by Robert J. Van Liere, Rte. 2, Salem, Wis., who recently sold his dairy herd and accepted an appointment as director of legislative relations with the association.

Blaska was elected by the PMA board of directors at its regular monthly meeting in Chicago. He is a prominent Wisconsin dairy industry leader, chairman of the 1970 Wisconsin Farm Progress Show to be held in Dane county, and is a past president of the Sun Prairie Rotary Club.

Still another development announced by Avery A. Vose, president of Pure Milk Association, was the PMA board's approval of the nomination and seating of Philip H. Warren, Rt. 3, Burlington, Wis., to complete Van Liere's unexpired term as director of PMA district 4.

The nomination of Warren as district 4 director was made by district delegates. The district will hold an election of officers and director at its annual meeting, Jan. 18, 1969.

Warren has been a member of Pure Milk Association for nearly 29 years. He has been a delegate of the Burlington local of PMA several times and is currently an alternate delegate. He is a director of the Racine County Fair Association. He is also a former member of the Racine county board of supervisors and is a former chairman of Burlington township.

He owns and operates a 240-acre dairy farm and has a herd of 80 Holsteins. He also raises about 360 head of veal calves each year. Warren is a partner in the Burlington Farm Implement Co., and a partner in the Warrenville Egg basket, an egg-laying operation.

Guidelines Set For Ice Melting Products By FTC

Due to the fact that the use of chemical products to melt ice and snow may result in flaking and scaling of concrete surfaces such as driveways, the FTC has set

"Hall of Flame" Asks For Help

Kenosha's "Hall of Flame" is looking for supporters to become associate members of the historical institution, and is issuing certificates of authority to interested individuals.

There is an outstanding debt of \$70,000 on the museum building. Persons contributing \$25 will receive certificates engraved and suitable for framing, attesting that they hold the rank of Fire Lieutenant in the Hall of Flame.

Persons contributing \$50 can attain the rank of Captain; a \$100 donation will enable a person to become Fire Marshal and a \$500 or more donation achieves the title of Chief Fire Marshal. Contributions can be mailed to the "Hall of Flame", P. O. Box 400 Kenosha, Wisconsin.

In addition to the certificates of rank being given to contributors, Fire Chief Jerome Gumbinger has made an antique fire pole available. The 2 1/2 inch diameter brass pole will be sawed into 3-inch lengths to be distributed among the top 100 contributors. The fire pole pieces will be accompanied by an official letter certifying its age and history and can be used as a desk ornament, paper weight or conversation piece.

The museum is located on Washington Rd., just west of Green Bay Rd. in Kenosha County, and houses the world famous antique fire engine collection of George F. Getz, Jr., president of the Foundation.

Since the museum is a non-profit operation, contributions are tax deductible.

forth guidelines for manufacturers and distributors of these chemical de-icer products, as follows: (1) There should be no representation by sellers in any advertisement or literature, etc., that these chemicals are safe and will have no damaging effects on a concrete surface. (2) Disclosure must be made in all advertising, and on product packages of the possible damage and harmful effects the product may have on concrete surfaces.

The Commission expects these changes to be made during the 1968-1969 freezing season. Failure to comply will result in Commission action to correct the illegality.
